1996 SWEDISH-AMERICAN OF THE YEAR

We extend to Siri Eliason, Swedish Consul General of Northern California, our congratulations on being named the 1996 Swedish-American of the year by the Vasa Order of America's Swedish Lodges. The Vasa Order of America Award will be presented to her August 4, 1996 in Stockholm (Skansen).

The recipients of the award have been either engaged in Swedish-American relations or have made a brilliant career in the American Society. The award is a symbolic expression of gratitude from the old country for the lifework of the emigrants and their descendants. At the same time, it has become a reminder of the close bonds between Sweden and America.

She is joining a very prestigious group of award winners including Nobel price winning physicist Glen T. Seaborg, Astronaut Edwin Aldrin, and Chief Justice William Rehnquist to name a few.

She has been involved in the Swedish-American community for the past forty years serving as President, Director or on the Board of Directors of many Scandinavian organizations.

Her activities have been honored with many awards including:

1986	Exemplar Medallion by the California Lutheran University
1989	Royal Order of the Polar Star
1993	Shared the Swedish-American Chamber of Commerce Sven Eliason Award with Lockheed's Chairman Emeritus, Roy Anderson
1994	Ellis Island Medal of Honor

The award this year is rather special for the Vasa Order of America is celebrating their 100th Anniversary this year.

Again - we are pleased to be able to congratulate Siri and to wish her well.

SWEDISH IMMIGRATION JUBILEE
1846-1996

This Midsummer we are celebrating not only the usual joys of Midsummer, but also the Swedish Immigration Jubilee, 1846-1996, marking 150 years since the first Mass Immigration of Swedes. There is no exact date to mark this major milestone; however, we do know that from the period of the 1840s to 1930, 1.25 million Swedes immigrated to America; also, the Bishop Hill religious colony was established in 1846 thus triggering the first modern mass immigration. Therefore, 1846 has been chosen as a start-date.

Poverty and social discontent were the main causes of this Mass Immigration. Poverty was accelerating due to population rate increase exceeding the production rate increase for food. There literally wasn't any alternative but to find greener pastures. Social discontent was caused by the lack of religious freedom and the landless being deprived of land ownership in addition to other grievances. The immigrants served a need on both sides of the Atlantic. They averted the threat of overpopulation and mass impoverishment in the homeland, and they satisfied the need for labor to help build a new nation dedicated to civil, economic, and religious liberty, moving from oppression in the Old World to self-realization in the New World.

These immigrants brought with them their religion, cultural traditions and values. These old country values which Swedish descendents today hold in special veneration, have continued to serve both America and themselves well in all areas of our national life. These traditions and values were the ingredients required for them to withstand the adversities of their immigration. Although they lacked worldly goods, they were rich in enterprise and courage. All of this reduces down to one word - Heritage - (something transmitted by or acquired from a predecessor).

We are celebrating their Immigration to America and their heritage by our continued activities in the Arts and Sciences, in Business and Industry, and the Religious Freedom that we experience.

As we celebrate the Anniversary of the Mass Immigration, we can perpetuate our heritage to future generations,by accepting the responsibility for passing this heritage on to the next generation. This can be accomplished by maintaining traditions, by participating in Swedish affairs and celebrations, and by our support in the classroom of the Swedes dedication to education. Classes may be found for language, literature, history, music and dance which support these goals.

If these suggestions are followed for passing on our heritage to our children, I'm quite sure they will continue to celebrate combined Midsummer and Anniversary parties of the Mass Immigration.

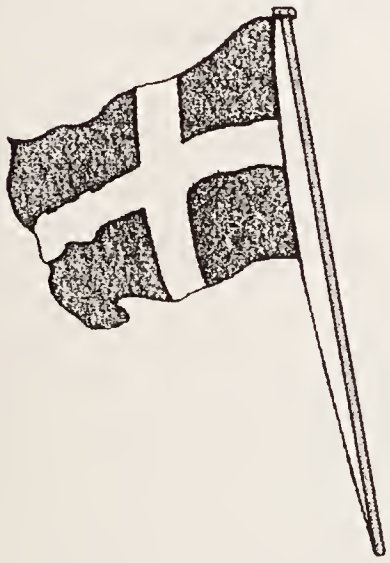
THE STAR SPANGLED BANNER

Oh say, can you see
By the dawn's early light
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watched,
Were so galantly streaming?
And the rockets red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there.
Oh say, does that star-spangled banner yet wave,
O'er the land of the free
And the home of the brave?

DU GAMLA, DU FRIA, DU FJÄLLHÖGA NORD



Du gamla, du fria, du fjällhöga Nord,
du tysta, du glädjerika sköna!
Jag hälsar dig vänaste land uppå jord
din sol, din himmel, dina ängder gröna!
Din sol, din himmel, dina ängder gröna!

Du tronar på minnen från fornstora dar,
då ärat ditt namn flög över jorden.
Jag vet, att du är och du blir, vad du var.
Ja, jag vill leva, jag vill dö i Norden,
Ja, jag vill leva, jag vill dö i Norden.

Translation
O glorious mountain crown'd land of the North,
thou quiet thou joyous land, I love thee,
I hail thee as fairest of lands on this earth;
Thy meadows green, the sun in heav'n above thee,
The meadows green, the sun in heav'n above thee.

Thy throne is the mem'ry of great days of yore,
when all through the world thy name was carried,
thou art this, I know, the same as of old.
In thee I'll live, in thee I'll die, thou North Land,
In thee I'll live, in thee I'll die, thou North Land.

In lieu of a 1995 Fall Fund-raiser, the Swedish American Patriotic League, instead, drafted an appeal letter. Thanks to the generous response of the persons listed below and many contributors who wished to remain anonymous, the League's treasury is now $5,000 richer! This money will be used to continue the work of the League in its efforts to preserve Swedish Heritage in the Bay Area. At the request of the donors, it is a pleasure to honor many persons from the present and the past.
